KUBOTA CANADA

Reserves Display Space and Offers Free Shuttle Service At the 29th Annual Toronto International Snowmobile, ATV & Powersports Show October 21, 22, 23, 2016 – International Centre

Toronto, Ontario (September 9, 2016): More big news flows from the Industry's leading Powersports Show, the 29th Annual Toronto International Snowmobile, ATV & Powersports Show (TISAPS), as Kubota Canada will be in attendance and has expanded their corporate booth space to accommodate more vehicles and more products.

Kubota's diesel powered RTV1140 will be shuttling Show Attendees around the parking lot, to and from their vehicles. There will be locations at both Entrances/Exits of TISAPS for Show Attendees to catch their Kubota ride to their vehicles.

"It's another great feature for Show Attendees. Not only is the parking free, but with the help of Kubota Canada so is the shuttle service. We're extremely proud to have developed a parking lot shuttle service for Show Attendees. The lot at the International Centre is huge and anytime we can help show attendees and make their experience at the Show better, we will!" commented Richard Kehoe, President, Marketer Shows Inc.
